# KINGSLIFF HOCKEY CLUB

PRESIDENT: ROBERT BARNES, 27 LAKES DR, TWEED HEADS WEST. PH 075599 9525  
SECRETARY: ROSS SALMON, 69 ASH DR, BANORA POINT. PH 075524 6204

## Teams

The Kingscliff Hockey Club has Division 1, 2 & 3 in the Men s and Division 1,2 & 2x3 in the Women s while there U15, U13 & 2xU11Girls and U11Boys. The coaches for the extra D3W and U11G are Simon Nance and Darren Jones. All members should know when they train by now. If not give your coach or Ross Salmon a phone call.

## Dress

All playing shirts are supplied at the time of your game. Hand them back after the game to be washed as a group. Ask your coach for any details. These shirts are the property of the Kingscliff Hockey Club so please look after them. Anyone having any Kingscliff playing shirts not returned in previous years please hand them back to me (Ross Salmon). Any players wanting to purchase socks can do so at training or from me directly.

## Meetings

The Kingscliff Hockey Club holds monthly meetings the first Thursday of each month. They are held at the Cudgen Leagues from 7.30pm. All players, parents, coaches are welcome to these meetings. This gives members a time to bring concerns out, if they aren't voiced at this time no one will know. I hear a lot of people saying the club should do this or that. The club only functions if the executive does what the members want. Not have to make spur of the moment decisions, that the members are not in favour of or don't know about.

## Thurs. Raffles

Barnsie and I are still doing Thursday night raffles. This is another reason to go to meetings as whether to proceed with them, roster people/teams to run them or is there an alternative.

## TRAINING

Now training is vigorously underway, since going to Juniors there may not be enough space over on Walter Peate. Merv Edwards may have to be used, but always (for all Juniors) tell an adult when you are going to cross the road

## Working Bee

The last working bee to mark the fields was poorly attended. Only Barnsie, myself and Lance were there. Is it a reflection of the attitude members have towards this club or is it that members didn't know about it? Any one living in Kingscliff can liaise with Barnsie about the state of the fields.

## Fees

All will know how much their fees are by now but if you're not sure ask your coach. A Kingscliff Hockey registration, a Tweed Border Hockey Registration form plus a Cudgen Leagues Club Membership form (for Juniors - as Seniors have to go personally to the club to be members) are to be filled out. If you haven't filled them out see me or your coach. As for paying fees most Juniors have paid, Seniors are a bit slower. The Kingscliff Hockey Club is to have all the Registration fees paid by mid June so have your fees paid by then. The club doesn't have too severe a policy for slow payers. Should it? The most important things is to know what you are doing about your fees and tell me or your coach.

## Coaches

At training don't use goal circles for training as it just cuts up the surface for playing days. If you have any concerns about the competition see me (Ross Salmon) and don't just tell the Association as the Association will require a letter from me the secretary of this club. Have a system for collection of turf fees and get them to me (the treasurer) or to Robert Barnes as soon as possible. The club pays the turf fees within the month after the game

## SPORTS SUPPLIES

Thanks to Jason and Alison Dittmar from Sports World (Murwillumbah) for their donation of balls and vouchers. It is good to have supportive local Sports personnel.

## Tasks

Anyone with a bit of spare time (not much is needed), a reasonable vocabulary to put a newsletter out like this each month preferably after the monthly meeting. It will be one less job I have. Any additions to the clubs web site Sanders Hetherington can be contacted via Borders web site.
